### Self-Guided Homestead Tour

**Friday July 26, 2019, 10:00AM**

For those non-golfers, the Reunion Committee has organized a self-guided tour of the various homestead sites and other places of family interest in the Gilbert Plains and Ethelbert Municipalities. Family points of interest are shown in the map on the back inside cover of our book "Harvest of Memories".

#### Negrych Farmstead (Gilbert Plains)

The Negrych Farmstead is one of the most impressive folk sites in North America and was settled in 1897, one year earlier than Jacob's and Pauline's homestead. At this national historic site, you'll find the oldest and most complete set of farm buildings on the continent built in the Ukrainian style of the Carpathian Mountain region.

#### Location:

From Gilbert Plains, travel 17 km (10.5 miles) north on PR274, then follow the signs 3 km (2 miles) east.
